

Features

- Colour temperature LED downlight.
- Aluminium finish.
- Requires a 12V LED driver and CCT controller.

| Product Codes | |
|-------------------------------|----------------------------------|
| AURA-DL | Colour Temperature Downlight |
| Suitable Drivers | |
| DRV12-6W-RGB | to run up to 2 fittings |
| DRV12-12W-RGB | to run up to 5 fittings |
| Colour Temperature Controller | |
| CT-REM-12VJC | Remote Control with 4 Way Socket |

| Technical Specification | |
|-------------------------|----------------------|
| Fitting Type | SMD LED |
| Voltage | 12V |
| Wattage | 2.4W |
| Lumens | 190lm |
| Colour Temperature | 3000K – 6500K |
| IP Rating | IP20 |
| Finish | Aluminium finish |
| Plug Type | JC |
| Cable Length | 2m |
| Mounting | Surface |
| Dimensions | 55mm dia x 5mm depth |
